## MEMBERSHIP BULLETIN AND COMMITMENT FORM

### INTRODUCTION

The **Centre for Anti-Corruption and Open Leadership (CACOL)** is an aggregate of human rights, community based, and civil society organisations with anti-corruption agenda across Nigeria. CACOL sets for itself the task of using any available means to cause relevant **authorities to probe and bring to book all corrupt leaders both in public and private institutions.**

Membership of CACOL is open to organisations with more than ten people to join as affiliates. Individuals can also join but will be constituted to a CACOL Unit when such members are more than ten in the same locality and would be coordinated by the oldest member. *Unitless* individual registered members will be grouped at the Convention in elevens for the purpose of voting only.

Affiliate organisations are expected to pay monthly dues of N10,000 or N100,000 annually. While individual members are expected to pay N500 monthly or N5,000 per annum. Only members that have paid their dues for minimum of six months would be qualified for the Centre's Identity Card, Affiliates would be expected to sponsor their delegates to CACOL functions they desire to attend like AGC. The Secretariat would fund members and affiliates for any event that they have special roles to play, like protest marches in state different from theirs.

Units in a Local Government Areas constitute the LGA Branch and Branches in a state constitute the State Chapter.
